## **We received a letter of appreciation for our health management**

As part of our activities to realize a sustainable society in our medium-term management plan "TRS Vision-2025" announced in May 2021, we have set the goal of maintaining our certification as a Health Management Excellent Corporation.

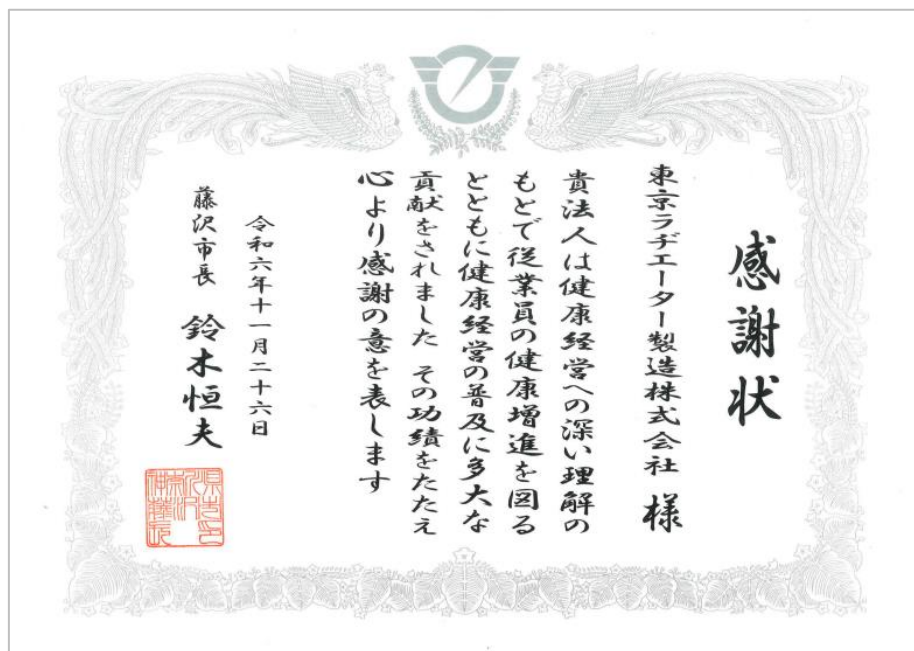

We are pleased to inform you that through the above activities, our efforts to promote employee health and our contributions to the spread of health management have been recognized and our company has been awarded a letter of appreciation from the Mayor of Fujisawa.

### 1. Contents

On November 26, 2024, the Mayor of Fujisawa presented our company with a letter of appreciation.

### 2. Reason for the award

This letter of appreciation was presented to companies (2 companies in the large corporation category and 26 companies in the small and medium-sized corporation category) that are headquartered in Fujisawa City and are recognized for their efforts to promote employee health and their contributions to the spread of health management. Our company received the letter in the large corporation category.

Since our certification as a Health Management Excellent Corporation in 2019, our certification has been renewed five times.

We will continue to promote various health management initiatives so that our employees can continue to work in a healthy, energetic and creative manner.
